The PR Dt submitted for perusal

b) It is stated that acquisition proceedings in respect of the site were taken in pursuance of the Dewans Town note, and the opinion of Mr Krumbiegal that the site should be kept open so that it may not hide the fine view of the maidan and the fort walls at the place 'Q'

7) A grant of Rs 2000 is also reported to have been sanctioned out of T P Grants for acquiring the said site. But a grant of Rs 2000 from the T P Grant for 1940-41 was promised in the office letter dt 29.2.40 'Q'

On 30-12-40 the Chitaldrug Town Mal Council passed a resolution that the owner of the site Mr Dimmu Letterundrafta may get be permitted to have of a dwelling house if the same is not used for a Cinema or theatre purpose Vide

But as there was objection to the Town note of the Dewan acquisition proceedings were ordered to be pursued through

On receipt of the present petition the matter was again reconsidered by the Mal Council, who have passed a resolution on 31/1/42 that it is not necessary to keep the site open and to utilise the sanctioned grant of Rs 2000 for putting up a park at the place. Pending final orders of Govt the acquisition

	9) In view of the foregoing facts the DC states that the proposal to acquire the said site may be dropped, and the owner permitted to construct a dwelling house only and not a Cinema, as one has already been constructed in the vicinity
	10) Ruled for orders with reference to para 1 of the notes supra
	11 The proposal now made is quite contrary to the opinion expressed by Mirza Ismail, to Col Dewan of Mysore on Kumbergal, to Consulting Architect to Govt of Mysore, to keep the site open and not to allow any kind of building to spring up thereon & The Superintending Engineer also sanctioned for the acquisition of the land
	12 The Chittoor Tumukur have resolved on 31/12/42 that it is not necessary to keep the said site open The DC therefore recommends that the question of acquiring the site may be dropped & the owner allowed to construct building as prayed for — not a Cinema but dwelling quarters on the said site

Memorialist

Dummi Thipperudrappa,
Land Holder & Member of Dist Board,
Yalagodu Village, Chitaldrug Taluk

The memorialist respectfully begs to submit as follows

1 Your memorialist has purchased Site No 38 in Santhepet Chitaldroog for Rs 2,000/- on 23rd April 1927 in Public auctio and has collected materials for the construction of a buildi He has been putting applications to the Municipality to grant him a license and they have been putting off the prayer

2 In the meanwhile, one Sheik Buden Sab of Chitaldroog - filed a suit against your memorialist and the Chitaldroog - Municipality in O S No 758/32-33 in the Munsiff Court, - Chitaldroog for a declaration that the said site belongs to him and also for possession The matter went up to the High - Court and finally it was decided in favour of your memorialist In this connection your memorialist had to spend Rs 1,000/- to safeguard his interest

3 The Government of Mysore in their order No L 7520/M 163-38-4, dated 29th February 1940 have ordered that the Site - No 38 belonging to your memorialist should be acquired and the same finds publication in the Mysore Gazette dated 12th Septr 1940 and a sum of Rs 2,000/- has been sanctioned to be granted to the Chitaldroog Municipality for the purpose

4 Your memorialist has, in addition suffered a further loss

in

in that his outlay of Rs 2,000/- on the site fetched him - nothing in view of the fact that he was not allowed to build any structure and earn thereby either by way of rent or other business At a modest rate of 1% per mensem the loss thereby to him is for the last 14 years about Rs 3,500/- In all, the whole loss he is put to barring the amount of Rs 2,000/- the purchase money, has amounted to nearly Rs 4,500/-

5 It is now learnt that the Government want this site to be acquired for the Municipality and it is further learnt that the site will be kept vacant for the purpose of providing a sort of lung space or park for children &c , It is curious how this site of all sites has been selected for the purpose It is situated in the midst of a busy commercial area and it was on this account alone that your memorialist has put himself to such loss and litigation hoping that he would run a business in the place in question The site has on three sides roads in which more than 18 hours of the day there will be motor lorries, busses and country carts plying not only causing unwholesome noise but raising unhealthy - dust To add to this on the other side there is a big drain from the town which is open and from which equally unwelcome smell eminates It passes one's comprehension how such a site could have been selected for a park From the point of view of health it is objectionable The selection cannot have sanction either of aesthetic taste or practical utility The site due to its location is worth more than Rs 5,000/-

6 It is only fit for a commercial purpose and not for any common or Municipal purpose such as a park Neither the - poeple of the area nor the Municipal Council can have a - preference to the site for the purpose

With reference to your O M No L 6684 dated 3-2-42 forwarding for report the petition of Mr Dummi Thipperudrappa, presented to the Minister for Revenue and Finance protesting against the acquisition of site No 38 in Santhepet, Chitaldrug Town I have the honour to state as follows -

2 A detailed report on the subject was submitted to you with reference to your letter No 5080 dated 5-1-41 on a similar petition presented to the Dewan by the citizens of Chitaldrug Town A copy of the letter is enclosed for favour of kind perusal

Flag F

3 As stated therein the acquisition proceedings were taken in respect of this site as suggested in the Dewan's tour notes and the opinion expressed by Mr Krumbiegal retired Director of Horticulture and Consulting Architect to the Government of Mysore stating that the said site might be kept open so that it might not hide the view of the fine Maidan and the Fort walls

The Government sanctioned a town improvement grant of Rs 2,000/- for meeting the costs of acquisition (vide your letter No L 7520-M1 169-38-4 dated 29-2-40) which was placed by the Municipality at the disposal of the Land Acquisition Officer, Chitaldrug Subsequently the Municipality passed a resolution on 30-12-1940 stating that the owner might be allowed to construct a house on the site, if he does not use the same for Cinema or Theatre purpose etc , As this resolution was opposed to the tour notes of the Dewan, the President of the Chitaldrug Municipality was asked to push trhough the acquisition proceedings

4 On receipt of the present petition under reference, the Municipal Council was consulted again in the matter They have passed a resolution on 31-1-42 stating that it is not necessary to keep the site open They have requested therein that the Government may permit the Municipality to appropriate the grant of Rs 2000/- for putting up a park near Neelakanteswara Temple

5 Under these circumstances the question of acquiring the site may be ordered to be dropped, as the Municipality are not in favour of the proposal, as can be made out from their repeated resolutions passed on the subject and the owner Mr Dummi Thipperudrappa, may be allowed to construct buildings as prayed for, pending orders on the petition the Land Acquisition Officer, Chitaldrug has however, been requested to stay further acquisition proceedings The petitioner also represented to the Minister for Revenue and Finance in the matter when the latter visited Chitaldrug on 26-1-1942

6 As a new Cinema Theatre building has been built quite close to this site, I ~~do not~~ think the petitioner

can be allowed to put up only dwelling quarters

7 The petition received with your letter under advertance is returned herewith

Subject - Application from the citizens of Chitaldrug protesting against the acquisition of site No 38 in Santhepete, Chitaldrug Town by the Municipality

===

With reference to your letter No L 5080 dated 5th January 1941 forwarding for report, the petition presented to Dewan from the citizens of Chitaldrug Town on the above subject, I have the honour to state as follows -

On a perusal of the records received from the President of Municipality, Chitaldrug, it is seen that site No 38 situated in Santhepete was sold by the Municipality in public auction on 23-4-27 to Mr Dummi Thipperudrappa for Rs 2000/- and the sale was confirmed by Government in their Order No 49-50 Ml 248-26-28 dated 6-7-1927 One Sheik Budan contested the rights of the sale purchase making the Municipality Chitaldrug a party in the Civil Court and finally the suit was dismissed in the Chitaldrug Munsiff's Court vide Mis No 288/31-32

After the case was disposed of in the Munsiff Court, Chitaldrug, Dummi Thipperudrappa applied for permission to construct a house in the said site and this was referred to this Office reporting that during the visit of Dewan in December 1927, he was pleased to suggest that the site may be kept open so that it may not hide the view of the fine maidan and fort wall Instructions were also sought for from this office as to whether a license can be issued and if this is not deemed desirable a grant of Rs 2000/- be sanctioned by Government for -- acquiring the site as the Municipality has no funds to meet the cost of acquisition On a reference made to Government in the matter it was decided that in view of the opinion expressed by Mr Krumbiegal, Retired Director of Horticulture and Consulting Archetect to Government of Mysore the site in question should be kept open and no - building of any kind be allowed to spring upon and that arrangements should be made to acquire the site for which a Town Improvement Grant of Rs 2000/- for meeting the acquisition charges will be paid

in the next year vide letter No L 7520-Ml 169-38-4 dated 29-2-40 from the Secretary to Government, Law Department, Bangalore and acquisition proceedings are being taken up to acquire the said site In the meanwhile the owner of the site Mr Dummi Thipperudrappa, presented an application to the Dewan on 25-11-40 protesting against the acquisition of this site and this application was also sent to this office for disposal vide letter No L 4552-Ml 92-40-42 dated 13-12-40 The President of Chitaldrug Municipality from whom a report is called for submitted the entire file of records with his report No H C 34/40-41 dated 8-1-41, together with a copy of Municipal Council's resolution dated 30-12-40 It was resolved at the meeting of the Municipal Council that the petitioner may be allowed to construct a house on the said site if he does not use the same for cinema or theatre purpose, etc

As the resolution of the Municipal Council is opposed to the tour notes instructions of the Dewan and the opinion expressed by Mr Krumbiegal, Retired Director of Horticulture and Consulting Archetect to Government of Mysore, the records have been returned to the President Chitaldrug Municipality with instructions to take action for the acquisition in view of Government grant already sanctioned
